## Dear donors,

On behalf of Karenni Education Program, we would like to acknowledge each and every one of you for your contribution. Through your generous donations, we have received \$4058 in this 2017. We would like to extend our sincere gratitude and appreciation to all the donors for commitment to promoting higher education in the camps and demonstrating the importance of giving back to the community. By donating to this Education Program, you have provided the opportunity for the students to discover their lives' passion and allowing them to strengthen the necessary skills to serve in their community. We are committed to making sure this money is used only towards the educational expenses. We are hoping that our donors will continue to support the Education Program annually.

Again thank you for your generous donations.

Sincerely,

*Saw Meh*

To Whom It May Concern:

On behalf of the KnNC alumni, I would like to express my gratitude for your help throughout the fundraising campaign. It was successful, thanks in the largest part to KnA volunteers who kept the inflow and outflow running smoothly. Without your tremendous participation, the KnNC alumni would not make it this far. I hope that KnA will continue to be a voice for good in our Karenni society and hope you will be able to help again in the coming years.

Please do not hesitate to contact me or any other alumni members for related matters.

Once again, thank for your support.

Sincerely,  
  
Secretary

Dear respected donors:

The letter is to confirm that your contribution of \$4059.60 is well documented for the year of 2017-18. The alumni team would like to thank each one of you for your continued support. Not only will your financial support help the Karenni higher education continue to exist, but it will also make the community a great place to produce more educated people. The money will be kept in reserve for now, but you will be notified relating to the use of the fund.

Should you have questions or concerns, please contact us at [knnc.alumni@gmail.com](mailto:knnc.alumni@gmail.com)

Once again, thank you.

Sincerely,  
The KnNC Alumni

### **Some decisions during KnA meeting**

- All donations collected will be kept, from now on, with KnA's bank, and as necessary, funds will then be transferred to appropriate recipients after proposal approval.
- Any transaction, over \$1000.00, must be transferred electronically.
- The recipient must be a person designated in writing by the receiving organization.
- An acknowledgement letter AND receipt of transfer must be generated within 14 days of electronic transfer.
- Verbal conversation is not acceptable for recording purposes.
- All donors are to receive their donation report with supporting documents by Jan end (deadline is mentioned above).
- All "Education Program" inquiries must come first to our Education Program Director.
- The fee is 3.50 to donate online, in which the fee will have to be paid for by the donor (the total amount of payment will then be \$103.50).

### **Attentions to proposal writers**

Please visit this link ([http://www.karenniamerican.org/?page\\_id=425](http://www.karenniamerican.org/?page_id=425)) to understand the policy, requirements and components of a minimally acceptable proposal. We, Karenni-American Association, are asking that any proposal include the following items: **Purpose analysis, Audience analysis, Management team, Detailed budget plan, Timeframe of project, and Appendixes (if any).**

By including the above checklists, a final decision can be made in a timely manner, usually within a week or less. On the other hand, a proposal can take a lot longer to reach a final decision if information is missing (because we will ask for more information).

Proposal written in bullet point format is acceptable. Writing up a long story that no one will read is unnecessary. The list above should serve as a recommendation only.
